What They Say... Not just a school but a family!

"Why pay to go to a private school when we have all the advantages and opportunities of a private boutique school in a public system."

"Bobs Farm Public School provides intensive learning in a friendly, caring atmosphere."

"The staff have a high interest in students and their parents, listening with an open heart and mind. I congratulate them all, especially our Principal."

"We like the personal attention given to the children."

"We like the way all KLA's are treated and how opportunities are readily given to extend and consolidate their learning levels."

"We like the way the staff are readily available to discuss any concern we have with our children."

"I like the fact that my children are people and not just numbers lost in the system. This could only come about in a small school environment."

"I think it's a wonderful, happy and secure learning environment. Thumbs up - all round."

"Grants provide free or subsidised programs and excursions."

"Educates the whole person."
